Our Suppliers and Products

Our suppliers are all members of Sedex. Sedex members believe every person working in the supply chain should have equality, a safe place to work, and the means to support themselves and their families, free of bribery and corruption, using sustainable methods that keep the environment intact for future generations.

We promote many products that use recycled fabric, buttons and thread and contain ethically harvested cotton. A blazer, for example can be made from 18 plastic bottles, a polo shirt from 2.

ETHICALLY SOURCED COTTON

Plant a Tree with Ecologi

We are pleased to be partnering with Ecologi - a fantastic UK based but globally connected organisation who enables every person to be able to tackle the climate crisis.

We all know one of the best tools to tackle the climate crisis and keep our temperatures from rising above 1.5C is to plant trees. Ecologi has amazing tree planting partners who can responsibly plant millions of trees a month and you will add to this.

Visit: www.ecologi.com

At Earth Uniform we offset our personal and professional lives, through direct purchase of trees. It is our way of achieving carbon neutrality.

What's more, for every order you make with us, Ecologi will plant a tree!
